

GEC Business Transformation Specialists is now offering.....Pandemic Courses

A pandemic can be extremely disruptive to your workplace. In these situations, employees often have many questions and are underprepared. Learn how pandemic training can help prepare them

COVID-19

Coronaviruses aren't new to us. They come in many different forms. COVID-19 is the most recent outbreak. Learn what it is, how it spreads, and how to identify symptoms in our new series courses.

Planning for a Pandemic

This series will help you prepare for a pandemic, how you can communicate about it internally and externally, and how to keep your business running smoothly.

In response to the coronavirus outbreak, we want to help you provide your employees with training to prepare them for any health crisis. Learn more about this special, exclusive bundle, contact gecbts.com today to explore our new COVID-19, Pandemic Planning, and Coronavirus Precautions and Prevention courses.
